

1-800-528-8997
FOR IMMEDIATE SERVICE

Instrumentation, Calibration, Repair, Custom Flow Solutions

Magnetic, Coriolis, Thermal Mass, Differential Pressure, Vortex, Swirl and Variable Area Flowmeters, Pressure, Temperature, Level, Flow Computers, Valve Positioners, Analyzers

ifm efector

Pressure, Temperature, Flow, Level Measurement, Vibration and Condition Monitoring, and Analyzers for Hygienic and Industrial Applications, IIOT and RFID solutions

Bulk Weighing, Monitoring and Inventory Control Products, Belt Scales, Parts, Continuous Level Measurement, Conveyor Monitoring and Protection, Metal Detectors and Weigh Feeders

Custom Manufactured Severe Application Meter™ (SAMs), TECO Drainac® Drainage Rate Indication System, TECO Stockrite™ Consistency Solutions, MAGIC Consistency Transmitters

Calibration

*NIST Traceable & ISO 17025 Accredited Liquid Flow Calibration Lab
Calibration of Any Brand Liquid Flowmeter with Quick Turnaround Times,
Recalibration of Pressure, Temperature and Level Instrumentation*

Repair &
Remanufacturing

Over 50 years of Repair and Remanufacturing Experience in Magnetic and Coriolis Flowmeters; NO RMA Needed, Free Evaluations, Repair of Any Brand Magnetic and Coriolis Flowmeters, Pressure, Temperature, Level Instruments, Valves, Actuators and Positioners
